

Summer Term 2021 Learning Letter – Badger Class

ENGLISH AND COMMUNICATION	FUNCTIONAL SKILLS	SKILLS FOR LIFE	PERSONAL DEVELOPMENT
<p>This term in English will be learning to write and recognise a list. The theme for the half term will be animals and by the end of it the children will attempt to produce a list of animals which they would choose to have in their zoo. If you have any pets and would like to email me a picture then please do.</p> <p>In communication we will be working on initiating interactions with our friends.</p> <p><i>Ways you can help your child:</i> Discuss and encourage your child to help you take care of your pets.</p>	<p>MATHS: The term we will be working on number. We will practising ordering numbers, additions and subtractions and counting on in 2s and 10s.</p> <p>FINANCES: We will be working on exchanging one item for another and recognising some coins.</p> <p><i>Ways you can help your child:</i> Take your child shopping and explain what is happening at the till.</p> <p>Play shops and counting games at home with your child.</p>	<p>Skills for life is covered over 5 lessons: 2 focus on development of the class' enterprise café. 1 on cooking – mashing and crushing skills. 1 on write dance – letter formations and gross/fine motor skills. 2 on safety – use of equipment and personal safety.</p> <p><i>Ways you can help your child:</i> Encourage your child to be more independant at home when making simple snacks. Talk to your child about ways to stay safe, i.e. in the sun, near waters, when travelling. Talk and practise crossing the road safely</p>	<p>This term we will focus other aspects of safety – at home, when outside, first aid etc.</p> <p><i>Ways you can help your child:</i> Talk safe procedures when at home and out and about.</p>
<p>PHYSICAL DEVELOPMENT Dance and movements to music</p> <p><i>Ways you can help your child:</i> Playing dancing games at home like just dance or following someone dancing on you tube. Make up silly dances with your child to music.</p>
