### **DT----Den building**

Have a look at the link below and then make your own Den, Shelter. Maybe you could have a picnic or snack in it like the children in the clip. Please take a picture and email it to me or send it into school.

<https://www.youtube.com/watch?v=uHO-CeITWMI>

### **Telling the time**

Why not have a go at making your own sundial. See if you can use it to tell the time. Please remember to take a picture and share it with me. I would really like to see your completed sundial.

## **Making a Sundial**

### **You will need:**

Chalk  
Stones  
Large, straight stick  
Clock

### **Instructions**

1. Find a spot outdoors that is not sheltered and that the sun will be able to shine on easily.
2. Place your stick vertically in the centre of this area. (On a concrete area, you could create a small mound of dirt or stones and push your stick into this.)
3. On each hour, look at where the shadow of your stick falls. Place a stone at the end of each shadow.
4. With your chalk, write the number of the hour next to the pebble.
5. Repeat until the end of the school day.
6. Test out your sundial by checking that the shadow falls onto the correct pebble at the correct time, the following day.

## **History**

This term we are looking at WW2. It would be really nice if you could make a spitfire, or create your own WW2 timeline, maybe talk to your grandparents and write about their experience.

Here are a few websites linked to ww2

<http://www.primaryhomeworkhelp.co.uk/Britain.html>

<https://www.natgeokids.com/uk/discover/history/general-history/world-war-two/>

<https://www.dkfindout.com/uk/history/world-war-ii/>

R.E this half term we are learning about Hinduism. Can you create your own Hindu Om, who are Shiva, Brahma and Vishnu? Who are Rama and Sita? Why don't you have a go at the quiz?

Here is a website for you to look at:
