### **3: Into the Woods (episode summary)**

In the woods outside Athens Oberon - King of the Fairies - meets Queen Titania in a clearing. They argue over one of Titania's fairy helpers, after which Titania storms off. Oberon is angry and commands Puck to fly away to find a magic flower that, when rubbed on the eyes, will make a person (or fairy) fall in love with the next live creature that it sees. Oberon intends to use the flower on Titania to teach her a lesson by making her fall in love with some wild animal of the wood.

As Oberon plots his revenge, Demetrius enters the clearing pursued by Helena. Demetrius is searching for Hermia and Lysander - who he expected to find in the woods according to Helena's tip-off - but he can't find them anywhere. Demetrius snaps at Helena and leaves.

When Puck returns with the magic flower, Oberon asks him to use some of it on Demetrius so that he falls in love with Helena.
