

VACANCIES

FOR 2 CO-OPTED GOVERNORS AT GRANTA SCHOOL, the special needs school in Linton.

Would you like the chance to have a say in key decisions at our school and to make a real contribution to the local community by becoming a School Governor?

Governors play a significant role in the development and oversight of the school and make important decisions in areas such as curriculum, school improvement, budget, staffing, health and safety and management of premises. Our Governors have a range of different backgrounds, skills and experience and are all volunteers who work together for the benefit of the school and the community it serves.

We can offer you:

- ☐ The chance to acquire new skills
- ☐ The opportunity to work as a team towards a common goal
- ☐ Comprehensive induction, training opportunities and the full support of the Governing body
- ☐ The chance to make a real difference to children's lives

If you have approximately 10 hours per term to spare and would be interested in becoming a Co-opted Governor, or would like further information, please contact:
