

Ask an adult if they can print out these pages.      **Activity 1:** Cut out the 4 cards on this page.  
Listen to the story video.      Can you match the picture to each part of the story?

bean

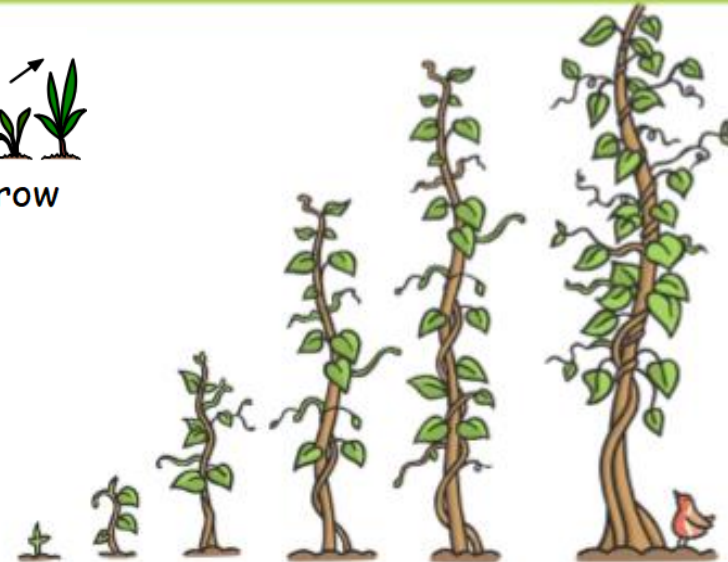

plant

water

grow

Activity 2: Use the 4 pictures you have cut out.

Can you match each picture to the same one on this sheet?

bean

plant

water

grow

### Activity 3:

First cut out each caption below.

Next - Read each caption with your adult. Can you match the caption to the picture?

It might be easier to have just 2 pictures to choose between each time.
