Week beginning 1st March 2021

The tasks on this page are repeatable tasks that we would normally do at least once every week.

Our Topic for this half term is Germany

Repeatable tasks/lessons

Communication:

Look through the communication script sent via email (let us know if you need a hard copy posted) and see what activities you could do at home or adapt to do at home. Let us know if you need any resources such as cards etc.

There is also a selection of stories on the Youtube channel

Music and Movement:

Watch and follow the uploaded video.

Massage story:

Choose a story from ones previously sent or our new massage story "Hansel and Gretel"

Weekly story/sound session: Every Wednesday at 2pm. Remember your water, bubbles, towels and rubber ducks if you have any.

Weekly sensory assembly Every Friday at 9:30am

This is a way for students at home to see their peers at school as well as all staff. If you have any beads then please have them with you

Please send in some photos of what you have been up to at home by Thursday each week so we can share in assembly.
