

Governors Profiles

Laura Jeffs

I have been a Parent Governor since November 2020. I am currently Co - Chair of Governors and a member of the Curriculum and HR committees. My background is in the Civil Service, where I worked across health and education.

I enjoy working with the Governing Board and Granta School, it has been a challenging and rewarding experience to be a part of the journey for the school and its pupils.

Liz Hunt

I took on the role of Co opted Governor at Granta in December 2021 with prior mainstream experience as a governor at Linton Infants' school and Linton Village College. My working experience has been in various NHS posts many aspects of which are very useful in my Governors role. Since retiring I have taken on a number of voluntary roles.

I enjoy working with the Governing Board to support Granta school and particularly meeting with the staff and pupils in the school and enhancing my knowledge of special school education.

I am on the Curriculum, HR, Finance committees and was elected as co-chair from September 2024. This has been a very challenging but rewarding role and I continue to learn.

Sheila Horton

In March 2026 I was appointed as a Co-Opted Governor to Granta School. I am retired but hold 35 years' experience in the field of project management, education and training.

Prior to moving to Suffolk, and most recently Linton, I worked as a project and business manager within Reading Unitary Authority. I worked across 10 schools in South Reading and managed a team of 10 pastoral workers across those schools, overseeing holiday programmes as well as extra curriculum activities. I have been Chair of Governors to a Special School with a very similar profile to Granta, so I hope that this experience will be helpful in my new role.

Jeff Andrews

I have been a governor of Granta School for eight years and I am currently deputy chair and a member of Finance and Health and Safety Committees. Separately I am also a trustee of a SEN Free School in north London. I am retired having spent my working life in property and facilities management both in the UK and internationally and I am now actively involved in a number of voluntary and charitable organisations in the local area.

Jill Broadley

I became a co-opted governor in 2021 which has been my first such appointment. My background has been 43 years in the NHS as a nurse with various roles including Matron. I am a Linton resident and am very happy to be part of the Granta governing body.

Chris Clarke

I have been a parent governor since November 2020. I am a member of the curriculum committee. By profession, I am a patent attorney, which involves a mixture of a law and science and I work for a company that develops inhaled medicines, based on the Science Park in Cambridge.

Lucie Callow

I am a director for SEND in a large Academy Trust and have previously been Headteacher at Granta. Following a significant break, I am approaching governance with fresh eyes. I have been a governor at other special schools most recently schools for children and young people with Social, Emotional and Mental Health needs (SEMH).

David Jones

I first served as a Governor at Green Hedges Special School in Stapleford from 2001. When Granta School was established and Green Hedges closed, I transitioned to Granta, initially as a parent Governor. In 2013 I became a co-opted Governor. As a Chartered Accountant, I contributed to Granta's Finance Committee, eventually chairing it until 2018. Since then, I have continued as a co-opted Governor, focusing on financial management—a role that has grown in importance as funding has tightened. I am proud to support Granta and deeply admire the school and its staff. My professional background is in financial systems consultancy. Additionally, I serve as Chair of Trustees for Cambridge Joint Playschemes and the Shelford and Stapleford Youth Initiative, and I have

	been a Parish Councillor in Little Shelford for over 20 years.
